

AIRPORT-TO-CAMP SHUTTLE SERVICE

AFSFC will provide for a shuttle service between Sacramento International Airport (SMF) and Shady Creek for airline travelers who need a ride to and from camp. If you cannot use the shuttle we will try to assist you with other arrangements.

Check-in time at camp on the 13th will begin at 4:00 p.m. Check-out time on the 21st is no later than 11:00 a.m. Shuttle service has been arranged to meet these times.

FLIGHT BOOKING

Please book your arrival flight **before 2:00 p.m.** on Friday, June 13th.

Book your return flight **after 2:00 p.m.** on Saturday, June 21st, if at all possible. SMF information suggests you should arrive at least two hours before domestic flight departure. Travel time between the airport and camp is about 1.5 hours (we'd allow an extra half hour, or more, for traffic tie-ups).

ARRIVAL

We'll meet at the Baggage Claim area in Terminal A **no later than 2:15 p.m.** Look for someone holding a sign that says 'AFSFC'. You might also look for a group with a bunch of fiddle cases.

If you arrive at Terminal B or the International Terminal, it's a short walk to Terminal A. There is also a free inter-terminal bus. Whether walking or riding, please allow fifteen minutes for the trip between terminals.

Call Larry to let him know if you have missed a connection or if your flight has been delayed. We may be able to delay the shuttle departure for a short time. We'll wait for you at Terminal A if we're expecting you, and have heard from you that you will be a little late. If delays cause you to miss our shuttle – and we know about it – we will have some alternative way to get you to camp. We won't leave you stranded.

If you are unfamiliar with SMF, you can get an orientation, including which terminals various airlines use, at www.sacairports.org/int/index.html . Click on "Sacramento International" on the left side of the page, then "Airport Maps & Directions". You'll see a diagram of the airport.

For your convenience and ready reference, you will find below part of the diagram taken from SMF's web page, which we have marked to indicate where we'll meet and where the vans will be.

RETURN

Our shuttle will leave camp at **9:30 a.m.** on Saturday, June 21st. However, we know most airlines schedule many of their flights for the east coast at about 8:00 or 9:00 a.m. If you must book an early flight, please let us know as soon as possible so we can try to work out an alternative to our planned shuttle departure time from camp.

COST

The shuttle service between SMF and AFSFC will cost **\$ 70.00, round trip, including the driver's tip** (USD). The cost will be supplements, added to your AFSFC registration fee, so please don't send any money to Larry. You will be charged this amount, even though you may only ride one way, because the bus company charges for the seat, whether it is occupied or not.

RESERVING THE SHUTTLE

Please download the following page, fill it out, and return it to Larry Espinosa at your earliest opportunity. His contact information appears on the first page of this form. You may send it by e-mail or via the U.S. Postal Service.
